

Fm4F Events

We use events.fm4f.org to issue tickets to the events we host.

The screenshot shows the Fm4F Events dashboard. The top navigation bar includes the Fm4F Events logo, an 'Admin mode' toggle, and user profile icons. The left sidebar contains links to Dashboard, Events, Organizers, Order search, and User settings. The main content area is titled 'Dashboard' and features a 'Go to event' search bar. Below this, the 'Your upcoming events' section displays a grid of event cards. Each card shows the event title, date, time, and ticket status (e.g., 'On sale' or 'Sale over'). The 'Your most recent events' section shows a similar grid of recent events.
