

# Fm4F Events

We use [events.fm4f.org](https://events.fm4f.org) to issue tickets to the events we host.

The screenshot displays the Fm4F Events dashboard. The top navigation bar includes the logo, 'Admin mode', and user profile. A sidebar on the left lists navigation options: Dashboard, Events, Organizers, Order search, and User settings. The main content area is titled 'Dashboard' and features a search bar for events. Below this, the 'Your upcoming events' section shows four event cards. Each card displays the event title, date, time, and a progress bar indicating the number of orders and the current status (e.g., 'On sale'). The first three events are on sale, while the fourth is also on sale. Below these, a link to 'View all upcoming events' is provided. The 'Your most recent events' section shows two event cards, both of which are 'Sale over'.
